FROM THE COMMODORE

Hello to all members and please may I take this opportunity to wish you all a very

HAPPY NEW YEAR.

Activities for 2012 have already started at the club and many dinghies have taken to the water on what is now a completely full reservoir.

On the 27th December we held a very successful **Scammonden Freezer** event in which 17 dinghies competed during the 1½hr race. Full results are already on the web-site thanks to John Horwood's sterling efforts as results co-ordinator and Chris Lancaster's management of the web-site. Please keep an eye on this site during the coming year as it will be a regular conduit for information about club activities/ events. www.scammondensailing.com

More recently we have begun the **Snowball Series** with the first two races completed on Sunday 8th January in quite demanding winds. For anyone who is as yet undecided about starting their sailing please be aware that this is a very pleasant, friendly (albeit a bit cold) series in which to start the year and to shake out the cobwebs! Its run on a self-help basis where volunteers take care of the race management and rescue and it is open to non-club members. In order to offset club costs there is a nominal charge of £2.00 per person per afternoon payable by all participants. Brilliant value for a good afternoons sailing. The first afternoon saw 13 boats competing whilst a lot of the regulars were away doing other things so hopefully this will be a well-attended series.

A thank you goes to those members who turned up on the Sunday morning to help with the recovery and replacing of marks etc so that the racing could commence. Too many to name individually but you know who you are and thanks for your efforts.

Towards the end of November 2011 we held our Dinner & Dance and Prizegiving at the Rock Hotel which was a very well attended event and I do hope that everyone enjoyed the evening and picked up a prize or two.

That was closely followed by the AGM which was supported by a

quorum of members who helped to set the direction for the club for the coming year. I would like to welcome Paul Cornish to the Committee as our new Vice Sailing Captain and to say thank you to Jamie Holdaway and also to Graham McWhirter who stand down.

In December we tried to hold the Christmas Party but the weather decided to make the clubhouse difficult to reach so a very quick change of plans and a lot of telephone calls resulted in a re-grouping at my house. Thanks to those who came along and I hope no-one was missed in the general confusion!

During 2012 the club will host its first **Supernova Open Meeting** which will take place on the 15th April. This will be a closed water for the day and we wish to make a good impression on a new class association to visit our club. If anyone can help on the day please make a note in your diary now.

The **Race Academy** will commence its activities on the 21st April when Ben and his team will again be providing coaching and guidance for all who wish to improve their sailing skills.

In May the **Training Centre** will hold the first two RYA Level 1 courses for 2012 and these are already attracting bookings. The course dates will be the 12th & 13th May and the 19th & 20th May.

Soon the year book and sailing programme will be available as members renew their memberships. Some notable dates of major events that you might want to be aware of are:-

7 th – 8 th July	Lord Birkett Memorial Trophy	Ullswater
21 st – 27 th July	Abersoch Dinghy Week	Abersoch
15 th – 16 th September	24hr Race	Southport

Membership Renewal.

With this edition of Telltales you will find the Membership Renewal Form and Fees for 2012.

There is a small increase in the rates this year however the Committee strives to keep the cost of membership as low as possible commensurate with running the club and I hope that members will see the club as continuing to represent a good value for recreation.

One significant change to the membership category that was voted for at the AGM is that non-sailing members can no longer keep a boat at SWSC. Sailors who wish to take part in the club activities and also to keep a boat at the club are expected to join the appropriate category of membership.

Once again, welcome to the 2012 sailing season during which I hope that everyone enjoys their sailing and socialising and I look forward to seeing you all on the water or in the bar!
